

## Kuwaiti Folk Song English Lyrics

Oh my beloved Kuwait -

We prepared the camels  
We're coming now  
We're going to build a house  
We arrived to Kuwait  
And we'll build us a house  
house house house  
Our house is new  
With a Metal pipe

Oh rain fall down  
fall down fall down fall down (x2)

Oh my beloved country Kuwait  
You are the hope, pride and glory

Oh our Kuwait .. My beloved Kuwait  
Oh our Kuwait .. My country Kuwait

Bom Bom Bom  
Let's build a bom for us  
"By the way, This is a Sambouk" !!

Bouk Bouk Bouk  
Let us build a Sambouk  
Bouk Bouk Bouk  
Let's ride the Sambouk  
Bouk Bouk Bouk

"By the way, This is a Jalboat" !!  
boat boat boat  
Let's ride the Jalboat  
boat boat boat

We'll take care of our houses  
May Allah protect you Kuwait  
We'll take care of our houses  
May Allah protect you Kuwait

Oh our Kuwait .. My beloved Kuwait  
Oh our Kuwait .. My country Kuwait

"Come on Come on"  
The men have arrived  
"You've been away for so long"  
We brought you gifts

We returned back to home, our beloved home  
We returned back to home, our beautiful home

We sacrifice our souls away for you  
May you always be happy  
May Allah protect you

Take a Rupee and give me a watermelon

"PETROL PETROL we found petrol"

"Didn't you heard what happened? We have Dinar now"

How lucky are we?

Our Dinar becomes national

(x2)

"Pull it up"

May Allah protect you Kuwait

May Allah protect you Kuwait

May you always happy

May Allah save you

Oh our Kuwait .. My beloved Kuwait

Oh our Kuwait .. My country Kuwait

You are the hope, pride and glory

"Happy National Day my Country"
