CHILDREN'S PRAYER  
FOR THE ZIVANOVS

## CHILDREN'S PRAYER FOR THE ZIVANOVs

Loving God,

Thank you for everything Sasha and Mira Zivanov do to help people who come to St. Louis looking for a safe place. Please bless the food pantry they help with, and help them to get lots of donations. Please help the refugees learn and understand English, so that they can have a better life here. Help Mira and Sasha as they work to find refugees find jobs and places to live. Please help the people of St. Louis welcome the refugees. Help the children to not be afraid of going to a new school. Help them make new friends and to have fun with them. Help us to welcome new kids at our schools and help us be willing to help someone else understand something that we are really good at. Help the people in our own city who feel lonely. We love You, Lord. Amen.
