NOTE—4,618 Individuals took the survey. 2,001 of total survey participants answered Question 28. The percentages in blue shading in the far right column reflect the percentage of the responses out of 2,001 or the total survey participants answering Question 28. Also, in the far right column, the percentages without shading reflect the percentage of the subcategory within the larger answer category. For example, 52 out of 393 of respondents referenced Church Engagement with CBF as a way to help churches.
