## ONE CHURCH'S JOURNEY TOWARDS RACIAL JUSTICE

Preston Clegg

**One Church's Journey Towards Racial Justice**  
Guiding Questions

What are the first steps a predominantly white congregation should take in engaging the work of racial justice?

How does a predominantly white church integrate its leadership while avoiding tokenism?

How do different people understand the word "racism"? Do white and black people interpret that word similarly?

What are the necessary tools, dispositions, and worldviews necessary to address systemic racism?

How are churches that are desegregated different from churches that are integrated?

How can churches lead the broader culture in ridding ourselves of racist tendencies?
